RECEIVED 11 JUL 2016

Dear Sir/Madam

Temporary Road Closure – Main Road, Duston

Further to our letter of May 2016 and in relation to recent enquiries raised I would like to remind you that works will commence shortly at the above location and will affect access to your properties. These works are being undertaken by Northamptonshire Highways and their Supply Chain on behalf of Northamptonshire County Council and will involve repairs to the carriageway.

Every effort will be made to limit the effect of these works on adjacent properties but it must be appreciated that some inconvenience will result. If there are any causes for concern or for general information about the works, please contact the Area Maintenance Manager on the telephone number given.

The works will take place from the 25<sup>th</sup> July for up to 10 days (subject to the weather) the closure will commence at 9:15 – 15:30. Due to available road widths the works will be undertaken using a full road closure. As a resident or business you will have limited access to your property during the closures but I would ask that if you do have to drive through the works to gain access to your property or business you proceed with caution for your own safety and that of the operatives.

It is envisaged that the closures will be effective on the following dates (although there can be changes owing to unforeseen circumstances)

The road will be closed from Tollgate Way to Melbourne Lane from Monday 25<sup>th</sup> July through to Thursday 27<sup>th</sup> July. After this date the closures will be from Saxon Rise going away from Duston Village, there are no planned closures from Melbourne Lane to Saxon Rise.

The road will be closed from Berrywood Road to Ryeland Road on Friday 29<sup>th</sup> July.

The road will be closed from Ryeland Road to Port Road from 1<sup>st</sup> August to 2<sup>nd</sup> August.

There will be no through traffic between Tollgate Way / Bants Lane traffic lights and Port Rd Junction; all these changes will have temporary signage when in operation.

Can I thank you in advance for your co-operation and tolerance while these works are being carried out, which form part of Northamptonshire County Council's highway maintenance programme.
