## UPDATE FROM DUSTON PARISH COUNCIL

### Duston War Memorial

You may have noticed that the war memorial located in Church Way has been cleaned up. Duston Parish Council also arranged for metal railings to be forged so that the remembrance wreaths are properly displayed.

### Timken Art

We think you'll agree that the planting in front of the Timken Art looks amazing as the tulips come into flower.

Last November the manager and staff from Homebase on Weedon Road kindly tidied up the area and provided and planted the bulbs. Duston Parish Council are very keen to work with the local community on more projects that enhance the village and will be entering Northampton in Bloom 2018.

### Duston Parish Council Community Grants Scheme

Do you run a local community group or organisation? Duston Parish Council supports local initiatives and can offer grants of up to £1,000 to those that fit the grant criteria. Contact us for more info. Here are two of the organisations that have recently benefited;

Duston Parish Council awarded a grant of £1000 to **Duston Old People's Welfare Association** to help them with their valuable work supporting older people in the Duston area.

The Association held their annual party in April. Part of the grant was used to cover the cost of giving 100 members a free tea party with guests and entertainment.

Another group Duston Parish Council are very pleased to support are **Favell Day Care Services**, who provide day care and leisure time for vulnerable adults with physical disabilities. In May this year Chairman of Duston Parish Council, Cllr John Caswell, presented them with a cheque for £1,000 at St Luke's Community Centre.

If your association, group or charity would like to apply for one of our community grants then you can find the details and forms on our website at [www.duston-pc.gov.uk](http://www.duston-pc.gov.uk)

## DUSTON IN BLOOM 2018 COMMUNITY PLANTING DAYS

Duston Parish Council and The Grow Together Allotment are entering this year's Northampton in Bloom. It is a great opportunity for everyone to get involved to make where we live even better. Whether it is litter picking, having a community tidy up, showcasing your own front garden, or getting involved in one of Duston Parish Council's planting initiatives ....it all counts!

We'd love to hear from you, your group, your neighbours....  
tell everyone you know and we will help you to get involved

## DUSTON COMMEMORATES

Duston Parish Council would like to create a poppy cascade to commemorate the WW1 Centenary, made by members of the Duston community

Can you knit, crochet, sew or craft? Get in touch.
