

## # Duston in Bloom 2020

Here we are into a second period of lockdown but we still want to keep you connected with our lovely village as part of our 'reduced' Duston in Bloom 2020 programme.

Thank you for taking part in

## Sow a little Happiness

If you haven't already done so then please register your patch with us — <a href="mailto:events@duston-pc.gov.uk">events@duston-pc.gov.uk</a> or call 01604 583626 to give us your;

Name Address Contact No. Email

These wildflower seeds should be enough to cover 1m2 or to sow in large pots. They will produce flowers really quickly once germinated and attract butterflies and bees. Grow your seeds, thin out when large enough to handle, look after them and let us know when they begin to flower. If you are happy for us to, we will include your pictures in our Duston in Bloom portfolio

We hope you enjoy having a bit of fun with us. Please let us know how you are getting on, send us pictures of your progress or post on our FB page <a href="https://www.facebook.com/DustonPC">https://www.facebook.com/DustonPC</a>

Please share this info with our non-internet friends in the village so that they can join in too!

Finally, if we can be of any help during this difficult time then please do contact us
