### FULL COUNCIL MINUTES THURSDAY 11<sup>th</sup> July 7pm 2024c

Chair: Cllr P Enright-King

**Councilors Present:** 

Littlewood, Ingram, Maitland, Roper, Liddon, Ennis-Clark, Golby, Craven

IN ATTENDANCE:

Gary Youens - Clerk

42/24. To receive apologies for absence

• Apologies were received from Cllrs Barnes, Mumford and Dickinson.

43/24. To receive and approve the minutes of the meeting held on Thursday 6th June 2024

• That the minutes of the meeting held on the 6<sup>th</sup> June 2024 (APPENDIX A) were approved as a true record and duly signed by the Chair.

44/24. To receive declarations of interest under the Council's Code of Conduct related to business on the agenda

None were declared.

45/25. Public Participation Session

There were no speakers from the public.

Tel: 01604 583626 Web: www.duston-pc.gov.uk

46/24. To receive any information update on Section 106 / Community Infrastructure Levy

- Applications forms for new play equipment and a path around the perimeter of Errington Park has been submitted. We are waiting to hear back from the WNC S106 team.
- In the Autumn the Clerk will try and get another meeting with S106 officer. Two have happened already between the S106 officer and the Clerk (Gary Youens) and Cllr Ingram.

### 47/24. Councillor Reports – Information Only

Councillors gave various reports on their activities.

### 48/24. PLR Report

APPENDIX A

 Cllr Liddon presented his PLR report. He raised the relationship between the Parish Council and the neighbourhood policing team.

### 49/24. Village Hall Hedge

- Usually Duston Parish Council does not get involved in maintaining private and commercial land. However, this land is owned (freehold) by the charity of Duston Village Hall (Duston Institute). Duston Village Hall is a not for profit charity.
- Duston Parish Council has received requests from residents to do something about the overgrown hedge blocking the pavement.
- It is noted that there is a lot of local history with the Duston Village Hall which is now over 100 years old. It is understood the previous Duston Parish Council used to have some of their meetings in that hall.
- Council discussed the report presented by the Clerk which gave various options for Council to choose (APPENDIX C).

### RESOLVED:

- a) The Grant from Duston Village Hall (APPENDIX B) was not approved
- b) That the hedge should be kept and not removed.
- c) Duston Parish Council, with agreement of Duston Village Hall, should maintain the hedge going forward. This helps the Village Hall Charity, Village Hall users and all nearby residents who use the adjacent footpath.
- d) For the time being the Clerk will use contractors (money virement from the Grants budget). In due course Council will consider how best to fund this long-term during its annual budget setting process.

### 50/24. Planters

 Views were expressed that planters should be a core service that DPC delivers to the local community.

### RESOLVED:

- a) To purchase and install two planters (APPENDIX D) for the amenity shops on Weggs Farm / Bordeaux Close. Using CIL.
- b) To purchase and install 25 lamppost planters along Main Road and Quarry Road once permission has been obtained (APPENDIX D). Using CIL. Sponsorship will be later sort.

### 51/24. Bench Sponsorship Policy

### RESOLVED:

- a) Not to have external organisations sponsor Duston Parish Council owned benches.
- b) In due course organisations will be informed about sponsorship of lamppost planters.

### 52/24. Duston Fun Day

### RESOLVED:

- a) That the staff are thanked for another successful Duston Fun Day. This has become a real highlight in the local calendar.
- b) Councillors gave feedback on Duston Fun Day. Following serious concerns raised by the Chair of the Council in relation to security of the event this matter will be referred to the Community Services Committee for further discussion.

### 53/24. Timken Gates

 RESOLVED: The Timken Gates and adjoining railings are refurbished using CIL. Cost is approximately £1540 + VAT (APPENDIX G).

### 54/24. Local Insight Data

- Recently there has been a meeting between Cllr Golby, the Clerk, BCD Manager and WNC
  Public Health Officers on the large volume of data available about local communities.
  Using Artificial Intelligence the data can be summarised into some key points.
- Cllr Gobly presented a summary of the data and how it can be used at the local level (APPENDIX H). Cllr Golby and the Clerk are both keen to use this data to inform the DPC Health & Wellbeing Strategy.

 RESOLVED: To note the Local Insight Data and that it should be used to progress the DPC Health & Wellbeing Strategy.

### 55/24. Remembrance

- The Clerk gave an overview of what DPC currently does for remembrance. This usually
  includes decorating the bank at St Luke's Centre, armed forces flags at our centres and
  poppies on lampposts. DPC also keeps the war memorial tidy and free of weeds.
- A view was expressed that the Parish Council should support initiatives for peace and promote individual stories of the detrimental impact of war.

### RESOLVED:

- a) To note the what DPC currently does for Remembrance such as decorating the bank at St Luke's and poppies on lampposts.
- b) That individual stories of war are promoted whenever possible so it helps with bringing about peace.

### 56/24. Devolution

- There was a discussion about whether DPC would welcome services from WNC being devolved down to the parish level. Broadly speaking DPC would welcome devolution of some services but concern was raised about whether they would be adequate funding.
- Whilst devolution was a welcome idea many were sceptical that WNC will consider it in the foreseeable future.
- RESOLVED: For the Environment Committee to discuss devolution of Environmental Services at its next meeting.

### 57/24. Bank Reconciliations

### • RESOLVED:

- a) That the bank reconciliations for April 2024 (APPENDIX J) were received and approved.
- b) That the bank reconciliations for May 2024 (APPENDIX K) were received and approved.

### 58/24. Payment of Invoices

### RESOLVED:

| a) | That the invoice payments for April 2024 (APPENDIX L) were received and noted. |
|----|--|
| b) | That the invoice payments for May 2024 (APPENDIX L) were received and noted.   |

### 59/24. Updates from Committees

• **RESOLVED**: That the report in the form of draft minutes from the Environment Committee (APPENDIX N) was received, discussed and noted.

Meeting Closed at 20:57

### FULL COUNCIL MINUTES THURSDAY 22<sup>nd</sup> July 7pm 2024

Chair: Cllr P Enright-King

**Councilors Present:** 

Littlewood, Liddon, Ennis-Clark, Dickinson

IN ATTENDANCE: Gary Youens – Clerk

60/24. To receive apologies for absence

 Apologies were received from Cllrs Maitland, Roper, Mumford, Ingram, Craven, Dickinson.

61/24. To receive and approve the minutes of the meeting held on Thursday 11th July 2024

• That the approval of the minutes of the meeting held on the 6<sup>th</sup> June 2024 (APPENDIX A) were deferred to the next ordinary meeting.

62/24. To receive declarations of interest under the Council's Code of Conduct related to business on the agenda

None were declared.

63/25. Public Participation Session

• There were no speakers from the public.

Tel: 01604 583626 Web: www.duston-pc.gov.uk

### 64/24. Exclusion of the Public and Press

The Public and Press were excluded from meeting due to the confidential nature of the business.

- The Staffing Review Report was presented to Council by Clirs Littlewood and Enright-King. Clir Enright-King thanked the councillors involved for spending so much time in putting the report together.
- This was very much at the initiation of Councillors and the Clerk was thanked for their advice and support.
- Cllrs Littlewood and Enright-King took numerous questions from other Councillors and the Clerk on the report.

### RESOLVED:

- a) That the Staffing Review Report was noted and should be considered (APPENDIX B)
- b) The draft letter to staff was noted (APPENDIX C)
- c) The next steps would be to discuss this individually with staff with Cllrs Littlewood and Enright-King leading the next stage of the process. The Clerk will attend the meetings with staff. The next stage is a consultation period.
- d) The Clerk, in consultation with Cllrs Enright-King and Littlewood, will bring back the report to Council after staff consultation but prior to any implementation.

Meeting Closed at 20:31

### **Changing in the Standing Orders & Scheme of Delegation**

At the previous ordinary meeting the Chair expressed an interest in being able raise "Housekeeping" points on the full council agenda.

The Council is being asked to agree the following format of ordinary full Council meetings.

- 1) To receive apologies for absence
- 2) Confirmation of the accuracy of the minutes of the last meeting of the Council.
- 3) To receive disclosures of interest by Councillors under Duston Parish Council's code of conduct.
- 4) Public Participation Session
- 5) Chair Announcements New item
- 6) To receive any information update on Section 106 / Community Infrastructure Levy
- 6) Councillors Reports. To receive reports from members on attendance at external meetings or events and an opportunity for members to bring matters of interest to the attention of the Council for information or future discussion This has been reworded.
- 5) To deal with business expressly required by statute
- 7) To receive updates from Committees in the form of minutes
- 6) To receive and consider reports and recommendations from Standing Committees.

Recommendations must be included in full on the agenda for the Council meeting.

All Committee recommendations may not be discussed until they have been moved and seconded. This will normally be done by the Chairman and Vice-Chairman of the Committee.

7) To receive and consider recommendations from working parties

- 8) To receive and consider reports from Officers of the Council
- 9) To approve any changes to Standing Orders, the delegation arrangements or other governing documents;
- 10) To receive business motions from Councillors
- 11) Any other business specified on the agenda

### <u>Duston Parish Council Report: Application for Section 106 Funding for Errington Park Path</u>

### Introduction

Duston Parish Council has applied for Section 106 (S106) funding to construct a path around the perimeter of Errington Park. The proposed path would be wide enough to accommodate wheelchairs and prams, ensuring accessibility for all residents. The primary objective of this project is to enhance the usability of the park during the winter months, as the area often becomes waterlogged and difficult to navigate.

This report seeks to outline the necessary steps for moving forward with this project and to consider alternative options if required.

### **Proposal Details**

- Path Design: The proposed path will be wide enough to accommodate wheelchairs
  and prams, ensuring that the park remains accessible throughout the year. The path
  will be designed to prevent waterlogging, making the park more usable during the
  winter months.
- Funding Source: It is suggested that the S106 monies be sourced from the development of the former site. The exact development from which the funds will be allocated should be confirmed during the application process.

### Steps for Consideration

### 1. Redrawing the Proposed Path Around Errington Park

 The initial path design may need to be redrawn to ensure it meets all accessibility and usability requirements. This includes considering the environmental impact, the width, and the drainage capacity of the path. a xialibaga

### 2. Seek Written Support from Ward Councillors for Duston West & St Crispin

 It appears that the support of the West Northamptonshire Council (WNC) ward councillors is essential for the project to move forward. Therefore, it is recommended to seek the written support of the three ward councillors representing Duston West & St Crispin. Without their backing, pursuing this project may be unfeasible.

### 3. Submit Planning Permission for the Path

Since the project involves engineering works, planning permission may be required. The Council should initiate the planning application process for the path around Errington Park. This will involve liaising with the relevant authorities to ensure compliance with all local planning regulations.

### 4. Obtain Updated Quotes

The original three quotes for the project are no longer valid, as one contractor has ceased trading and the other two quotes have expired. It is necessary to obtain three up-to-date quotes from reputable contractors. This step is critical for ensuring that the project remains within budget and meets all specifications.

### 5. Resubmit the S106 Funding Application to WNC

 Once the above steps are completed, the Council should resubmit the S106 funding application to WNC. The application should reflect the updated project details, including the redrawn path, secured support from ward councillors, and updated quotes.

### **Consideration of an Alternative Project**

Given the uncertainties surrounding the timeline—such as the time required to secure councillor support, the planning process, and obtaining revised quotes—Duston Parish Council may also wish to consider developing an alternative project. This alternative could potentially be executed within a more predictable timeframe and with fewer dependencies on external factors.

### Conclusion

The construction of a path around Errington Park offers significant benefits to the community by improving accessibility and usability. However, the project's success depends on completing several key steps, including redrawing the path, securing ward councillor support, obtaining planning permission, updating quotes, and resubmitting the S106 funding application. The Council should carefully consider whether to proceed with these steps or to explore alternative projects that may face fewer obstacles.

This report requests that the Council deliberate on the outlined steps and decide on the best course of action to ensure the successful use of S106 monies for the benefit of Duston's residents.

## Evaluation for Duston Qu2 - April - June 2024

Project name - Duston Youth Club.

Project Lead: Craig Shana

Project staff: Mark Dean, Jasmin Barnes/Sofia Corrillo

Volunteers: Eldica Lawes

Project Aims / Outcomes

# Over the course of each programme, we aim to support the young people to have:

- 1. Built trusted relationships with adults
- 2. Gained confidence, developed self-awareness and increase resilience
- 3. Increased feelings of safety
- 4. Increased awareness of local activities
- 5. Developed greater care and respect for people in their community
- 6. Developed healthy relationships with peers and others
- 7. Access and opportunities to develop a healthy hobby: Music, Art, Sport
- 8. A positive attitude to learning
- 9. Opportunities for active participation, co-production, ownership and leadership

# Over the course of each programme, we aim to support the Duston community to:

- 10. Have knowledge and trust in who to go to for support for young people
- 11. Have happier young people in their community
- 12. Feel young people are safer and their community is safer
- 13. See positive images and relationships with young people
- 14. Develop a sense of responsibility and care for their young people
- 15. Develop an empowered approach to advocate for their young people

### This will be evidenced by:

- Programme plans, registers and session recordings for all sessions
- Data sets to monitor demographics
- An evaluative report, drawn from observations, interactions and data
- Young people's direct feedback
- Young people's achievements through multimedia recordings; podcasts, images, music
- Case studies of young people's engagement and development

Young leaders educating peers on the DJ equipment.

Young people engaging with guided craft activities

### Evaluations of Outputs and Outcomes:

### Discussion of outputs and outcomes:

# Over the course of each programme, we aim to support the young people to have:

## Built trusted relationships with adults

relationships and recognising unhealthy habits in others, with some exploring substance use, and how/where to get support around this issue changing landscapes of their conversations. They have moved away from lots of playful banter and are now more readily discussing issues that they management; looking at ways to support their own development, particularly around exam and school pressures. They have discussed healthy through the trusted relationships of adults within the group. Young people - in the last quarter specifically - have explored anger and stress face at school and within their personal/social lives. On a number of occasions, attendees have been observed to actively seek guidance and support Over the last 2 programmes of delivery we have observed changes to the openness of young people within the youth space and this is evident in the

and makes clear that attendees are more comfortable to share what they think and feel, in an informal environment. through their sought out conversations with adults and others. This helps to evidence the growing level of trust that is being built within the space On occasions youth workers and young people have debated topics like human rights and more recently, young people have explored political views

activities and what would they like to see and be involved in, both inside and outside of the group moving forward. This is further evidenced by some activities on offer. The young people recognise that adults are responsive to them and they are keen on sharing ideas and suggestions on what young people actively planning events to get funding in for trips and activities, and through the interactions they have had with the community at people. Examples of this include the youth work team and Duston Parish Councillors acting quickly on feedback about changes to the room and the various events. Through participatory approaches the group are more confident that they have a voice that is heard by both the youth workers, and fellow young

## Gained confidence, developed self-awareness and increase resilience

in young people within the Duston area and a keenness to be involved in an array of opportunities that present themselves. Some of our regular There are some significant changes for a number of young people accessing the group and some real celebrations here. We have found a confidence

compared with some of their 'self-reported' limited school attendance and lack of interest/engagement in formal education, is a particularly positive goes some way in evidencing their resilience also. This particular cohort are very interested and committed to developing new skills, which when skills development is very evident. They are the emerging young leaders from this group, who are willing to step out their comfort zones and are attendees have, for example, been volunteering at the fun days and community events over the past few months and their growing confidence and keen on exploring new things. They are learning from their mistakes, such as when interviewing community members and editing their work, which

any young people who may need additional support. do not struggle, but that this issue is more apparent for females at the current juncture. The team are working towards increasing confidence maintain friendships with one another; often due to a perceived issue or through the influence of others. That is not to suggest that male participants sessions particularly appear to be caught up with pressures of fitting in, having boyfriends, how they look - they seek reassurance and struggle to through achievement and ongoing activity, whilst considering some gender specific work within the setting, and offering individual mentoring for Conversely, through the conversations now being had we are aware of a lack of confidence for some of the group attendees, the young females in the

### Increased feelings of safety

enables youth workers to signpost to correct support and advice that other adults may not be aware they need and in turn supports the young spoken about. However, at the youth club they feel like they can ask questions, converse freely and explore topics without being judged. This directly people's feelings of safety and overall wellbeing impacted attendance at times. They feel like in other environments, such as school or at home, there might be some topics or issues that cannot be The young people state that the group is a safe space for them, on the whole – though some break downs in peer relationships have occurred and

we are working collaboratively with the young people to understand more about their worlds and the places and spaces they frequent or avoid for confident in being able to report anything that isn't or doesn't feel right in their local area. This is supported by ongoing safety mapping work, where salety reasons Through the community engagement events the young people report that they are better able to recognise community members and feel more

that peer safety and trust, to help further this point over the coming months. As mentioned, this mostly (but not exclusively) relates to the females who have been attendance. As the group continues to grow there are often changes to the dynamics, which can feel uncomfortable for them, but we are working on developing

### Increased awareness of local activities

support young people in attending other groups in the local area, or complete and edit recordings quickly enough to do regular social media releases working on ways that we can support engagement and awareness even further in the coming months. Due to time constraints we are unable to is a structure we are keen to repeat and will be looking at ways to continually share opportunities with young people locally. As a team we feel the that may help to move this along quicker but we, and they, are keen to support where we can wellness and community fun days have been specifically beneficial in broadening the young people's understanding of the local offer and we are discussion (podcast being edited for sharing) and even resulted in our adult volunteer and a young person going along to try it out afterwards. This In the last quarter we invited a representative of the Duston players to come and talk about the group and what they do, this was very successful

interview representatives from across the area, as ways that they would like to see developed Young people have suggested interactive mapping on the website, QR codes for obtaining quick information and further opportunities to meet and

## Developed greater care and respect for people in their community

authority but through our own relationships developing, we are able to offer wider context and appropriate challenge to their views and opinions part of their community, and this in turn promotes reciprocal greater care and respect. The young people do express frustration at adults with the library. Having recognisable community guardians in places that feel safe and welcoming to them, supports the young people to feel that they are that help developing minds give greater consideration to others. relationships and acknowledgements with recognisable community members, such as staff in the local Tesco's, the staff in the community centre and On the whole, the young people are observed to interact politely and appropriately when out in public and youth workers are present. They have

youth work relationship the young people are becoming more socially aware their game and made it a challenge, upon leaving the boys were playing happily still - but without the noise. Through the trust and respect of the that they should perhaps move on to a more open space - or change the game. The youth worker spent 20 minutes finding alternative versions to when the youth worker spoke about families with young children or elderly local residents who may be afraid of the banging, they were accepting invented. After a little while the youth worker asked the boys if they thought it might be a bit load for after 7pm, initially they didn't think so, but the road. The game was loud, with the cone bouncing around being echoey. One of the youth workers went over and tried out the game they had A great example of this was after a youth group in June when two of the young people were playing a game with a traffic cone that had been left by

and respect for others through the youth group sessions. A litter pick has been suggested and some young people are keen to explore this. youth workers have observed some littering during or after the group sessions and this is one way that we aim to support the development of care An area for development is supporting the young people to recognise their responsibilities around litter, and using the bins provided. On occasion

Developed healthy relationships with peers and others

along (audio recording sent with evaluation). Over time and exposure, through youth work intervention and support, some of these young people along right from the very first van sessions last summer, friendships have been developed between young people that would "traditionally" not get challenges/activities, games and the continuation of keeping the space safe and inclusive for all. However, for some of the young people who came some just tend to stick with people they already know - so this is focal point for future sessions and will be factored in through team building have developed a greater respect for each other, despite their differences, regardless of these being physical or cognitive. There remains work to be done in building relationships and cohesion across the peer groups, as not all young people interact well with one another,

will be planned for in the coming programme mentioned previously, the fractious relationships appear to mostly impact the female cohorts, and as such activities underpinning this development We have also noted that, with the young males especially, they are better able to recognise when they are in the wrong and are able to say sorry. As

Access and opportunities to develop a healthy hobby: Music, Art, Sport

some opportunities to explore more active/sporty hobbies outside and we are just waiting on our volunteer's DBS to come back so that we can been ordered that were specifically requested and activities are being planned in response to their ideas. Now that the weather is nicer, there are they don't enjoy. The youth group is working to include suggestions made by the participants in the upcoming programme and, as such, things have community organisations, amongst other things. Most of the young people have now tried out activities and found new interests or ruled out things conduct outreach and centre based opportunities simultaneously. The young people have engaged in Djing, music production, podcasting, arts and crafts, table tennis, group games and meeting representatives of

A positive attitude to learning

engagement approach. This has been demonstrated by their engagement with healthy hobbies (above) but also in skilled work such as audio editing, trailing some complicated crafts, problem solving and through peer to peer learning. In the initial programme (Jan-March) we met young people who The young people mostly demonstrate a positive attitude towards new things and are actively open to learning through youth work's informal

support and encouragement for others quarter (and what is evident in case studies for S and R, submitted in earlier report presentations) we have observed changes to this, with resilience development and when they are achieving through their engagement in sessions, we are observing their growth in confidence and in turn, their care being built and young people trying again when they make mistakes. Using creative methods and learning through play is central to their would struggle with failure and getting things wrong, so they often disengaged with learning - possibly as a defence mechanism - however in the last

## Has the YP demonstrated /able to:

- 1. Built trusted relationships with adults
- 2. Gained confidence, developed self-awareness and increase resilience
- Increased feelings of safety
- Increased awareness of local activities
- 5. Developed greater care and respect for people in their community
- 6. Developed healthy relationships with peers and others
- 7. Access and opportunities to develop a healthy hobby: Music, Art, Sport
- 8. A positive attitude to learning
- 9. Opportunities for active participation, co-production, ownership and leadership

### Feedback from W is:

"thank you, I am not sure where I would be now without you guys believing in me and showing me options"

### <u>Duston Parish Council Report: Proposal for Seed Funding to Support Emerging</u> Voluntary Groups

### Introduction

The Community Services Committee has expressed a desire to provide seed funding to emerging voluntary groups within Duston Parish. Currently, Duston Parish Council (DPC) only awards grants to organisations that have an established bank account and a formal constitution. While this policy ensures that funds are allocated responsibly, it may inadvertently exclude fledgling groups that have not yet become fully established.

This report outlines the rationale behind offering seed funding, addresses potential concerns, and provides recommendations for implementing a seed funding program.

### Background

The existing policy of DPC restricts grant eligibility to organizations with their own bank accounts and constitutions. The Community Services Committee believes that this requirement can be a barrier for new and emerging groups that may not yet have these formal structures in place. Seed funding is seen as a way to help these groups get started, enabling them to establish themselves and grow within the community.

### **Key Considerations**

PERBADIX C

### 1. Risk Management

The primary concern with seed funding is the risk associated with paying public money into individual private bank accounts. The Clerk advised the Community Services Committee that this practice is generally not considered good practice and carries inherent risks. Specifically, if a significant sum of money were misappropriated, the Council could face strong criticism and potential reputational damage.

### 2. Legal Implications

Under the General Power of Competence (GPC), it is legally permissible for the Parish Council to provide seed funding to individuals. However, if the Council were to lose the GPC, the legal framework for providing such funding would become more complex. The Clerk has advised that while this approach is legally feasible under the GPC, it must be handled with caution.

### 3. NCALC Advice

The Northants County Association of Local Councils (NCALC) was consulted for further guidance. NCALC advised that while providing seed funding directly to individuals is not typically seen as good practice, it can still bring benefits if managed carefully and sensibly. The emphasis was on ensuring that the process is transparent and that funds are used appropriately.

### Proposal

The Community Services Committee believes that seed funding is a worthwhile initiative that can provide vital support to local groups in their early stages. To mitigate the risks identified, the following recommendations are proposed:

### 1. Grant Cap

It is recommended that seed funding grants be capped at a maximum of £100 per application. This limit minimizes the financial risk to the Council while still providing meaningful support to emerging groups.

### 2. Application Form Development

The Community Services Committee should be tasked with developing a

standardized application form for seed funding. This form would include requirements for applicants to provide detailed information on how the funds will be used and to submit receipts to Duston Parish Council as proof of expenditure.

### 3. Council Review and Adoption

Once the application form has been developed, it should be brought back to the full Council for review and formal adoption. This step ensures that all councillors have the opportunity to provide input and that the process is fully endorsed by the Council.

### 4. Funding Source

Seed funding should be allocated from the existing grant budget. This ensures that the initiative is financially sustainable and does not require additional resources.

### Conclusion

The proposal to offer seed funding to emerging voluntary groups represents a proactive approach to fostering community development within Duston Parish. By carefully managing the process and implementing safeguards, the Council can support new groups in getting established while minimizing financial risk.

### Recommendation

The Council is advised to approve the following actions:

- 1. Agree to provide seed funding grants up to a maximum of £100.
- 2. Task the Community Services Committee with developing an application form and process, including a requirement for recipients to submit receipts.
- 3. Review and adopt the proposed application form once it has been developed.
- 4. Allocate seed funding from the existing grant budget.

This initiative has the potential to empower local groups, strengthen community engagement, and contribute to the overall well-being of Duston Parish.

### <u>Duston Parish Council Report: Consideration of Bollard Installation on</u> Newton Road Open Space

### Introduction

The Environment Committee recently discussed the potential installation of bollards on Newton Road Open Space. The primary purpose of this installation would be to prevent unauthorised motor vehicle access to the green open space, thereby protecting it from potential misuse and preserving it for community use.

### **Proposal Details**

- Purpose: The installation of bollards would serve to block unauthorised vehicle
  access onto the green, which could help prevent unauthorised encampments and
  deter adjacent property owners from using the space as additional parking. Although
  there have been no unauthorized encampments on this piece of land to date, the
  measure would be preventative.
- Design Considerations: The proposal suggests installing bollards along both sides of the green. To maintain access for necessary maintenance, such as grass cutting, two or three of these bollards would need to be removable.
- Cost Implications: The estimated cost for the installation of the bollards is £2,500, plus the cost of each bollard. This cost has not been included in the current year's

APPENDIX I

budget, meaning the funding would need to come from the Council's reserves or be allocated in the 2025/26 budget.

### **Key Considerations**

### 1. Planning Permission

The Clerk could investigate whether planning permission is required for the installation of bollards on this open space.

### 2. Budgetary Constraints

The Council has not budgeted for this expenditure in the current financial year. If the decision is made to proceed, the funds would need to be drawn from the Council's reserves, or the project could be deferred until the 2025/26 financial year when it can be included in the budget.

### 3. Community Concerns

There have been complaints from residents about adjacent properties using the green space as an additional parking area. While bollards could mitigate this issue, the Council may wish to consider the impact on local residents and weigh the benefits of immediate action versus continued monitoring.

### 4. Alternative Approach

An alternative option would be to monitor the situation and defer the installation of bollards to a later date. This approach would allow the Council to assess whether the issue of unauthorised vehicle access escalates before committing to the expenditure.

### Recommendations

The following recommendations are proposed for the Council's consideration:

### 1. Investigate Planning Requirements

The Clerk should determine whether planning permission is necessary for the installation of bollards on Newton Road Open Space.

### 2. Assess Funding Options

The Council should consider whether to allocate funds from reserves for the current financial year or to include the project in the 2025/26 budget.

### 3. Community Consultation

Possibly engage with local residents to gauge their opinions on the proposed installation and to assess the level of concern regarding unauthorised vehicle access and parking.

### 4. Monitor the Situation

Alternatively, the Council could opt to monitor the situation over the coming months and reconsider the need for bollards if the issue persists or escalates.

### Conclusion

The installation of bollards on Newton Road Open Space could provide a proactive solution to preventing unauthorised vehicle access and preserving the integrity of the green space. However, the Council must weigh the immediate benefits against the costs, potential planning requirements, and community feedback.

### Environment Committee Minutes Thursday 18th July 2024 7pm

Chair: Cllr P Enright-King

**Councilors Present:** 

Cllrs Craven, Dickenson, Ennis-Clark, Ingram, Liddon

IN ATTENDANCE:

Gary Youens - Clerk

EC17/24. To receive apologies for absence

No apologies were received.

EC18/24. To receive and approve for signature the minutes of the meeting held on Thursday 20th June 2024 (APPENDIX A)

• **RESOLVED:** That the minutes of the meeting held on Thursday 20<sup>th</sup> June 2024 were approved as a true record and duly signed by the Chair.

EC19/24. To receive declarations of interest under the Council's Code of Conduct related to business on the agenda

• Members were reminded of the need to declare any interests in the items on this agenda, whether pecuniary or otherwise. There were no interests declared.

EC020/24. Public Participation Session

Tel: 01604 583626

Email: office@duston-pc.gov.uk

• A member of the public spoke in relation to agenda item EC22/24. They have some volunteers already but asked the Parish Council for help in trying to recruit some more.

### EC21/24. Signage in Sussex Close

- The Clerk present the request for signage from a resident in Sussex Close. People are parking in Sussex Close to use St Luke's Field.
- It was noted by the meeting Sussex Close is a public highway and any car that has tax, MOT and insurance is entitled to use it. It is not a private road.
- RESOLVED: Not to install signage as no Highway Code Rules are being broken.

### EC22/24. Community Speed Watch Initiative

 RESOLVED: To support the Community Support Initiative by helping to advertise for more volunteers.

### EC23/24. Signage in Parks

- RESOLVED:
  - a) To purchase new park signs now for The Quarry, Telstar Way and Newton Road.
  - b) The new signs will be based on the same design as in other parks in DPC ownership (APPENDIX B)

### EC24/24. Signage on Dogs on Leads

• RESOLVED: Not to install signs in DPC parks saying "All Dogs Must Be Kept on Leads".

### EC25/24. CCTV Stickers

RESOLVED: To purchase some small CCTV Monitoring Stickers to act as a deterrent.

### EC26/24. No unauthorised Motor Vehicle Signs

- RESOLVED:
  - a) All DPC Parks should have signage saying "No Unauthorised Vehicles Allowed".
  - b) The wording should the same as they have in some other parks in Northampton.

### EC27/24. Newton Road Public Open Space

### RESOLVED:

- a) To get a quote to get some idea of the cost involved.
- b) To present the quote to a future Council meeting for discussion and consideration...

### EC28/24. Haydown Green Bench

• RESOLVED: To purchase and install a bench for Haydown Green play area (APPENDIX C)

### EC29/24. Devolution of Environmental Services

- The Committee expressed an interest in devolution but felt more details need to be provided before any decision could be made.
- The Clerk said West Northamptonshire Council have not indicated they are considering any devolution of environmental services in the foreseeable future.
- RESOLVED: To adopt a "Wait and See Approach" when it comes to devolution of services from West Northamptonshire Council.

### EC30/24. Tree inspections

 RESOLVED: It was noted tree inspections would be carried out on the following Telstar Way, Duston Wildes / Quarry, Clipton Way, Brockwood Close, Westbury Close & Cheddar Close.

The meeting finished at 8:42pm

### Community Services Committee Minutes 5<sup>th</sup> August 2024 7pm

Duston Parish Council
Duston Community
Centre
Pendle Road
Duston
Northampton
NN5 6DT

Chair: Cllr S Maitland

Councilors Present: Craven, Roper, Golby

IN ATTENDANCE:

Gary Youens - Parish Clerk

CSC09/24. To receive apologies for absence

• Apologies were received from Cllrs Enright-King and Ennis-Clark.

CSC10/24. To receive and approve the minutes of the Community Services Committee on Wednesday 29<sup>th</sup> May 2024 (APPENDIX A)

• **RESOLVED:** That the minutes of the Community Services Committee meeting held on the 29<sup>th</sup> May 2024 were approved as a true record and duly signed by the Chair.

CSC11/24. To receive declarations of interest under the Council's Code of Conduct related to business on the agenda

• No declarations of interest of interest were declared.

### CSC12/24.Public Participation Session

· There were no members of the public present

CSC13/24. Community Service Committee Working Parties

Tel: 01604 583626 Web: www.duston-pc.gov.uk

Email: office@duston-pc.gov.uk

T KIOUB 99A

- There were no updates from the Working Parties.
- Cllr Sandie Maitland said the working parties have fulfilled their purpose and it is now time to bring them to an end and discuss these matters within the Committee.

### RESOLVED:

- a) To disband the all working parties as stated on the agenda except the Grants Working Party.
- b) The Grants Working Party will report back when required. The purpose of the Grants Working Party is to consider grant applications and report back to Committee or Council. All members of the Committee are invited to attend the Grants Working Party.

### CSC14/24. Free2Talk Report

### RESOLVED:

- a) The Free2Talk report was discussed and noted.
- b) That the Free2Talk Report should be presented to Council.
- c) That it is recommended to Council that the Free2Talk contract is renewed for an additional 12 months from November.
- d) Cllr S Roper will contact Free2Talk to seek clarity about the unused half hours for outreach that accumulated over the winter. They would be used over the summer.
- e) Clir S Roper will also raise the possibility of the temporary skate ramp.

### CSC15/24. Newsletter

- The Committee discussed the newsletter and despite the length of time it has taken to get out it has been worthwhile. Not everybody looks at DPC Facebook Page, Twitter and website.
- When it comes to delivery next time it should be clearer what out expectations are.
- The Committee discussed the possibility of sending the newsletter through the post but this would add significantly to the cost. It should be delivered by a local leaflet company which is cheaper.

### RESOLVED:

- a) The Clerk to begin the next draft of the newsletter so it can be presented to a Council meeting in September or October.
- b) It should be the same design and format as before called "Duston Together".
- c) The Clerk to contact local leaflet delivery companies to get clarity on the timescale in which it can be delivered.

### CSC16/24. Northampton West Local Area Partnership

- Cllr Golby gave an overview of the Local Area Partnership. LAPs cover all parts of West Northamptonshire. Cllr Golby gave a summary about LAPs.
  - Been going for 18 months
  - Good attendance at them
  - Both Duston PC and Upton PC are represented on the Northampton West LAP.
  - Police and St Lukes Surgery are on there.
  - Northampton West LAP had a community fun day at St Crispin Centre.
  - Northampton West LAP is engaging with The Duston School.
  - The Duston School has high expectations of its students with zero tolerance for vaping. Number of permanent exclusions is on the decrease.
  - LAPs help with social care coordination.
  - Looking to put a Family Hub somewhere in the LAP area.

### CSC17/24. Bleed Kit

- The Clerk reported that a bleed kit has been donated by The Duston School following the fatal stabbing of a teenager in Kingsthorpe.
- **RESOLVED:** To place the bleed kit in the defibrillator box at St Lukes Centre, if possible.

### CSC18/24. Public Living Room

- This is an initiative by a staff member. It will be at Duston Community Centre in a room which currently has no bookings. It will start in September.
- It will be a trial period for about 4 months or so.
- RESOLVED: To approve this initiative and see how it goes (APPENDIX C)

### CSC19/24. Security at Duston Fun Day

- The Clerk reported at the Council meetings questions were raised about the security arrangements. The Clerk said the item has been placed on this agenda to find a way forward to ensure correct procedures are followed.
- Discussion centred whether the parking attendant was an event steward or security guard.
- **RESOLVED:** The issue is carefully looked at next year in the Event Planning process to ensure security industry standards are being adhered.

### CSC20/24. Grant Application Criteria

- The Clerk reported that it is not best practice to pay public money into private individual bank accounts. The Clerk spoke to the Internal Auditor who advised against the Council putting taxpayer money into private accounts. How can the Council be sure the money was spent appropriately? The Clerk has also contacted NCALC Member Advisory Service who said the same.
- However, the Committee still thought "seeding funding" was useful and should still be pursued. It was felt NCALC should be asked again.

#### RESOLVED:

- a) The Clerk to approach NCALC again about the legalities of seed funding and whether this is something the Council could pursue if it wants.
- b) Once an answer has been obtained to put this on a Council agenda for further discussion.

### CSC21/24. DPC Corporate Objectives

The Committee discussed the idea of a new Corporate Plan based on the Objectives.

### RESOLVED:

- a) The Committee welcomed the Corporate Objectives approved by the Council.
- b) The Clerk should produce a draft Corporate Plan for the Council and Committees to discuss.

### CSC22/24. DPC Health & Wellbeing Strategy

- The Clerk and Cllr Golby briefed the Committee on how this is being taken forward.
- **RESOLVED:** It was noted what has been on the Health & Wellbeing Strategy since it was adopted by the Council.

The meeting finished at 8:33pm

# Planning Committee Minute Thursday 29th August 2024 7pm

Chair: Cllr M Ingram

Councillors Present: Liddon, Enright-King, Mumford, Littlewood

IN ATTENDANCE: Gary Youens – Clerk

PC18/24. To receive apologies for absence

• There were no apologies received.

PC19/24. To receive and approve for signature the minutes of the meeting held on Thursday 25<sup>th</sup> July 2024 (APPENDIX A)

• **RESOLVED:** That the minutes of the meeting held on Thursday 25<sup>th</sup> July 7pm were approved as a true record and duly signed by the Chair.

PC20/24. To receive declarations of interest under the Council's Code of Conduct related to business on the agenda

 Members were reminded of the obligation to declare any interests in items on this agenda, whether pecuniary or otherwise. There were no interests declared.

### PC21/24. Public Participation Session

• A Member of the Public spoke on their request for land to be acquired in Rochelle Way. The Chair and Clerk advised that Full Council would be more appropriate to discuss this.

Tel: 01604 583626 Web: www.duston-pc.gov.uk

Email: office@duston-pc.gov.uk

### PC22/24. To Discuss Planning Applications Received from West Northamptonshire Council

• **RESOLVED**: That the following Planning Applications were discussed with the following comments agreed:

|    | Planning<br>Application No | Site Address                               | Proposal  | DPC Comments  |
|----|----------------------------|--|---|---|
| a) | 2024/3694/FULL             | 8 Kirkholme Gardens<br>Northampton NN5 6AE | Rooflights for loft conversion  | No Comments or<br>Observations  |
| b) | 2024/3114/FULL             | 6 Galahad Court<br>Northampton NN5 4BH     | First floor rear<br>extension   | No Comments or<br>Observations. It is noted<br>that this is within Upton<br>Parish Council. |
| c) | 2024/3873/FULL             | 31 Weggs Farm Road<br>Northampton NN5 6HD  | Single storey rear<br>extension, and new<br>ground floor side<br>window | No Comments or<br>Observations.   |

### PC23/24. Duston Parish Council Corporate Objectives

- The Clerk advised they have started to write a draft Corporate Plan that will be presented to Council.
- It was suggested that the discussion of a new Neighbourhood Plan should be deferred until a new WNC Local Plan has been produced.
- RESOLVED: To note the DPC Corporate Objectives.

### PC24/24. West Northamptonshire Council Consultations

### RESOLVED:

- a) Any suggested responses should be sent to the Clerk
- b) The Clerk to contact West Northamptonshire Council to raise the possibility of electric charging points outside Duston Library & Community Centre.

### PC25/24. S106 / CIL Update

• The ward councillors have approved the Section 106 funding for play equipment in Mendip Park. It has now gone to the Director for final approval.

### PC26/24. S106 Application for Errington Park Path

- The Committee discussed the benefits of having a path around the perimeter of Errington Park. Having a path would be useful in winter when Errington Park becomes waterlogged.
- **RESOLVED:** That this should be discussed at the next Council meeting to move the project on.

Meeting closed at 8:26pm

# <u>Duston Parish Council Report: Consideration of a Duston</u> <u>Parish Council App</u>

#### Introduction

Duston Parish Council is considering the adoption of a Town/Parish Council App offered by Cuttlefish, the same company that currently provides our website services. The proposal is to trial the app for two years at a cost of £225 per annum, allowing the Council to evaluate its effectiveness as a tool for community engagement.

### **Proposal Overview**

- App Features: The app would replicate the Duston Parish Council website in app form, providing residents with convenient access to news, updates, and information directly on their smartphones. For example, residents could receive notifications for events such as the installation of new benches or other Council activities.
- Cost: The annual cost for the app is £225, which is considered a reasonable expenditure for the potential benefits it could bring in terms of enhanced communication with residents.
- Duration: The proposal suggests trialling the app for two years to assess its utility and impact before committing to a longer-term subscription.

### **Key Considerations**

### 1. Demand and Usage

 There is currently no data available to indicate a specific demand for a Parish Council app among Duston residents. However, the cost of the app is relatively low, making it a feasible investment to explore its potential benefits.

### 2. Current Digital Engagement

- Duston Parish Council already maintains an active online presence, primarily through its website, which is mobile-compatible, and social media platforms such as Facebook and Twitter. The website's compatibility with smartphones means residents can access the same information without the need for an additional app.
- With the growing trend toward requiring paid advertising on social media platforms to achieve significant reach, having a dedicated app could provide a direct, cost-effective channel for communicating with residents.

### 3. Potential Benefits of the App

 As Duston Parish Council takes on more services, including managing parks and allotments, the need for a dedicated communication tool like a smartphone app could increase. The app would allow residents to easily access information about local services, report issues, and stay informed about Council decisions and activities.

#### 4. Promotion and Awareness

 If the Council decides to adopt the app, it could be promoted through the "Duston Together" newsletter and other communication channels to raise awareness and encourage downloads among residents.

#### Recommendations

Given the potential benefits and the relatively low cost of the app, the following recommendations are proposed for the Council's consideration:

### 1. Approve a Two-Year Trial of the App

 The Council should consider approving a two-year trial period for the app at the cost of £225 per annum. This trial would allow the Council to gather data on its usage and effectiveness as a communication tool.

### 2. Monitor and Evaluate Usage

 During the trial period, the Council should monitor the app's usage, collecting feedback from residents to determine whether it meets their needs and enhances engagement.

### 3. Promote the App in Council Communications

To ensure the app's success, the Council should actively promote it through the "Duston Together" newsletter, social media, and the Council website. This will help maximize awareness and encourage residents to download and use the app.

### 4. Review After Two Years

 At the end of the two-year trial, the Council should conduct a thorough review of the app's performance and decide whether to continue, discontinue, or expand its use.

### Conclusion

The Town/Parish Council App presents an opportunity for Duston Parish Council to enhance its communication with residents, particularly as it takes on more local services. While there is no current evidence of specific demand for the app, the low cost and potential benefits make it a worthwhile investment to explore. The proposed two-year trial would provide ample time to assess its effectiveness and make an informed decision about its future use.

Introducing Our New PTC App

### Introducing the new Parish & Town Councils App!

We're excited to announce that the Parish and Town Councils mobile app is now available! The app enables your visitors to view key council information on the go in your own branded mobile application.

Apps are a great modern way to engage with your visitors and to share notifications directly to their devices when you add new content.

### Just £225 per annum with no set up costs!

### What Does It Include?

### Visitors can:

- read the latest council news
- view your events calendar
- see when the next council meetings are
- review the current councillor list
- click on quick links to be directed to your website
- receive notifications when you add new content
- search through your news and events
- share any of your posts to their own social media accounts

### **Get your Version Now**

Details about the app can be found <a href="https://example.com/here">here</a>
Our team are also happy to take your order or answer any questions and so please feel free to drop us a Support Ticket via your website.

Admin > Control Panel > Support Tickets

### How Will It Work?

Simply ask your residents to download the Parish & Town Council's App from either the iOS Apple Store or the Android play Store and select your council from the list.

The app will replicate your website's colours and content - so you don't have to mess around with any set up.

Your website's news, events, council meetings, representatives and quick links will automatically present in the app, saving you time and effort populating it.

Visitors will get notifications when you add news, events and meetings so they can see all your latest updates live.

### Websites designed specifically for Parish & Town Councils

Simplifying services, strengthening communication.

### **Duston Parish Council Report: Surveying of Park and Open Space Boundaries**

### Introduction

Duston Parish Council has recently assumed responsibility for several parks and public open spaces (POS) from Northampton Borough Council. These areas include both well-established spaces and new additions to the Council's portfolio. To ensure that the Council can make informed decisions regarding the management and use of these areas, it is proposed that a surveyor be engaged to accurately determine the precise boundaries of each site.

### Background

- Parks and Open Spaces Transferred:
  - In 2021, Duston Parish Council took over the management of Errington Park, Grafton Way, Mendip Park, and Melbourne Lane Open Space from Northampton Borough Council.
  - In 2024, additional spaces, including The Quarry, Westbury Close POS,
     Newton Road POS, Brockwood Close POS, Cheddar Close POS, and Clipton
     Way POS, were also transferred to the Council.
  - These parks and POS have been in operation for many years, with Errington Park being established in 1939.

### Current Situation:

 The Council is considering whether to commission a surveyor to determine the precise boundaries of these parks and open spaces. This would enable the Council to make more informed decisions about their management, potential development, and community use.

### **Key Considerations**

### 1. Surveying Costs:

 The cost of engaging a surveyor is currently unknown and has not been budgeted for in the 2024/25 financial year. If the Council decides to proceed, it would need to consider funding options, such as drawing from General Reserves or budgeting for this in the 2025/26 financial year.

### 2. Timing:

The Council needs to decide whether to proceed with the survey now,
 allocate funds in the upcoming budget, or defer the decision to a later date.

### 3. Exclusions:

 It is not recommended to include Telstar Way POS in this exercise, as it is a brand-new development that has only been operational for a few months.
 The boundaries of this site are likely already well-defined.

### 4. Future Decision-Making:

Should the Council opt to proceed with the surveying, it will need to decide
 on subsequent actions based on the survey results at a later date.

### 5. Ongoing Dispute Resolution:

o If the Council decides to rectify historic encroachments it should be prepared for some strong resistance thus possibly increasing legal costs.

### **Options for Council Consideration**

### 1. Commission the Survey Now:

 The Council could decide to commission a surveyor immediately, funding the project from General Reserves. This option would allow the Council to quickly gain accurate boundary data for decision-making.

### 2. Budget for 2025/26:

Alternatively, the Council could choose to budget for the surveying in the
 2025/26 financial year, allowing for a more planned and budgeted approach.

### 3. Defer the Decision:

The Council may also choose to defer this decision until a future date,
 potentially waiting until specific issues arise that necessitate precise boundary information.

### Recommendations

Given the importance of accurate boundary information for effective park and POS management, the following recommendations are proposed:

### 1. Gather Cost Estimates:

 The Council should first obtain detailed cost estimates for surveying the boundaries of the parks and open spaces. This will provide a clearer picture of the financial implications.

### 2. Consider Immediate or Future Budgeting:

 Based on the cost estimates, the Council should decide whether to proceed with the survey immediately using General Reserves or to include it in the 2025/26 budget.

### 3. Exclude Telstar Way POS:

 Telstar Way POS should be excluded from this exercise due to its recent establishment and likely well-defined boundaries.

### 4. Plan for Follow-Up Actions:

If the survey is conducted, the Council should prepare to discuss and decide
 on any necessary follow-up actions based on the survey findings.

### Conclusion

Surveying the precise boundaries of Duston Parish Council's newly acquired parks and open spaces is an important step in ensuring their effective management and protection. While the cost and timing of this project need careful consideration, obtaining accurate boundary data will help the Council make well-informed decisions in the future.
